Improving School Communications and payments with ParentPay

Communicating with parents is an important part of what we do, making sure you get the correct information about activities, events and things that really matter is something we care about.

Traditionally, we have used printed letters but delivery of these can be unreliable; they are also expensive, take time to produce and are not environmentally friendly.

In school we use Teachers2Parents text messaging service. This service allows us to send messages directly to your phone. You do not have to do anything to sign up to this service. The emergency contact details that we have on record for your child will be used. If you would like an alternative mobile phone to be used, please inform the school office.

When your child starts school you will be asked to register with ParentPay. This is a secure e-payment method which will allow you to pay for such things as Breakfast Club, dinner money, Afterschool Club and school trips.

Once your child has started school, we will send out a letter containing your username and password. You will need to log on to www.parentpay.com to activate your account. Once this is complete you will be able to make online payments immediately.
