Monday 8<sup>th</sup> June 2020

Hello Year 5,

We hope you are well and staying safe at home. Whilst creating this pack, we discussed how you continue to amaze us. You are such fantastic individuals coping with this strange time exceptionally well.

Please look at our class pages on the school website - there are lots of exciting challenges, updates and messages from us both. Your work is also regularly uploaded to the links. Some of you are working extremely hard on Purple Mash and scoring highly on TTRockstars. As a result, a new battle will begin on Monday 8<sup>th</sup> June for 2 weeks between class 11 and class 12.

In your packs, we have included:

- Reading activities (short reads with comprehension questions)
- Spelling, punctuation and grammar activities
- Quick writing activities
- Extended writing activities
- Maths activities focusing on decimals, division and multiplication
- A range of afternoon activities (plastic pollution booklet, colour sheets and word-searches)

It has been fantastic seeing so many of you complete the weekly quiz we set up on Purple Mash and there have been some super scores. Over the next few weeks, there will be music, television and geography quizzes to keep you busy.

We miss you all a lot and look forward to seeing you very soon. If you have any pictures or want to share anything you've been up to over the past few weeks, please send them to our email addresses - it would be great to hear from you.

Take care and stay safe,

Mrs Jones and Miss Embley
