Hello Year 5,

We hope you enjoyed your Easter holidays safely at home.

We have created a new pack with lots of exciting activities to keep you busy. This will also help to keep some normality and routine to your day. We are very impressed with some of you on Purple Mash - you've completed a lot of the activities. Mrs Wilkinson has informed us that a lot of year 5 have been accessing both Purple Mash and Times Tables Rockstars so well done to you.

As you have been working hard, we've decided to set up a new TTRockstars battle (class 11 versus class 12 for 3 weeks). Only 30 points separated us last time, let the battle commence...

In the packs, we have included:

- Reading activities (short reads with comprehension questions)
- Spelling, punctuation and grammar activities
- Quick writing activities
- Extended writing activities
- Maths activities (decimals, fractions, ordering numbers, percentages, time, multiplication, addition and subtraction)
- A range of afternoon activities (reading comprehensions, word-searches and colouring sheets)

We will continue to add more activities to Purple Mash and when you have the chance, do try to complete some activities in your workbook - this will make it easier for you when we do come back to school.

We miss you all a lot and look forward to seeing you very soon. If you have any pictures or want to share anything you've been up to over the past few weeks, please send them to our email addresses - it would be great to hear from you.

Take care and stay safe,
