Maths:

The following pages will be activities to practice your maths. Make sure to us TT Rock stars for your times tables. I'll be checking!

Using your base 10 can really help with your maths.

All maths groups should complete the following page of questions.

$$17 + 22 =$$

$$6 + 62 =$$

$$19 + 34 =$$

$$24 + 48 =$$

$$27 + 53 =$$

$$12 + 28 =$$

Write an addition sentence. Show your working.

Here are some trickier number sentences. These have missing numbers. Use part-part-whole diagrams to help you.

$$14 + \underline{\quad} = 27$$

$$\underline{\quad} + 23 = 39$$

$$\underline{\quad} + 34 = 67$$

$$24 + 41 = \underline{\quad}$$

$$26 + \underline{\quad} = 80$$

$$24 + 28 = \underline{\quad}$$

$$34 + \underline{\quad} = 77$$

$$\underline{\quad} + 59 = 90$$

Can you remember your previous arithmetic score? Can you beat it? Work your way through the questions. Make sure to let us know when you have done!

We all love baking! Here is a recipe for some really yummy pancakes Miss Marney made last week. Use the scales to draw the measurements. Then, ask your mums and dads to help you make them! They make a yummy breakfast or scrumptious snack.

Reading scales can be quite tricky. Have a go at drawing them. Each scale may be different. Be careful!

Ingredients

- 225g self-raising flour
- 25g caster sugar
- 40g butter, melted
- 1 medium egg
- 250ml milk
- 2 tsp vegetable oil

Milk

Self-raising flour

Butter

Sugar

Method

1. Sift the flour and sugar into a bowl and make a well in the centre. Add the melted butter, the egg and half the milk. Mix together, then slowly stir in the remaining milk to make a smooth, thick batter.
2. Heat a large frying pan until hot. Brush lightly with $\frac{1}{2}$ tsp oil. Spoon 2 tbsp batter on top of each other in the pan to form each pancake (about 8cm wide). Cook in batches of 3 over a medium heat for 1-1 $\frac{1}{2}$ mins on one side, until small bubbles appear on the surface. Flip and cook for 1 min on the other side until golden, puffed up and crisp on the outside.
3. Transfer to a wire rack and cover to keep warm while you make the remaining pancakes. Repeat step 2, oiling the pan each time, until you have made 12 pancakes. Serve warm or cold, with butter and jam if you like.

I hope you enjoy this recipe as much as I did! I can't wait to see your attempts!
