

Hello everyone!

We are coming towards the end of the Easter holidays, which means that if you have followed the suggested timetable for home learning, you will be coming to the end of your 10-4-10 Easter booklets and will have completed most of the SATS books that we gave you for the first 2 weeks.

Please do not worry if you have not managed to keep up with your home learning; these are challenging times and we appreciate that some families may have found it difficult to maintain a routine. We appreciate that school work is not always the priority and as parents, we too have enjoyed playing with our children, enjoying the sunshine and spending time together doing things with a different educational value.

However, that said, as we prepare for what should now be the summer term, we feel it is important to provide some additional work for those of you who are able to maintain a school routine. We will try to balance this between booklets and online learning through Purple Mash and White Rose Hub.

Please see our timetable below for your next few weeks of work. Keep in touch with us via email if you need anything or if you just want to let us know how things are going.
