

Ightenhill Primary School

"To be the best that we can be"

Hello Year 1,

We hope you and your family are well and had a lovely April.

Please look for our **class pages on the school website for class updates**. The class pages will include frequent updates from myself and Mrs Taylor, new challenges to try and it will display the fantastic work you have been completing on Purple Mash and that you have been sending to us by email.

As we approach the new month of May, we have created a new pack. The activities set in this pack are skills that the children have already been taught. We have included:

- Reading activities (short reads with comprehension questions)
- Phonics reading (real words and 'alien words'/nonsense words)
- Writing activities (creative writing pieces)
- Maths activities (measure and calculations)
- Science activities (sorting seasonal clothes, drawing the leaves on a seasonal tree, recording the weather, creating a weather chart)
- Art activities

It has been nice to see many of you using Purple Mash. If you have not been using it yet, please log on as we set new tasks for you to complete each week. Your logins were given to you in the first pack. If you have lost or forgotten them, please email us to let us know and we will send you the login details.

We would love to hear from you! If you have any questions or any photos of the work or activities you wish to share with us or your friends, please feel free to email us. Our emails are:

Miss Jackson: ightenhillclass4@ightenhill.lancs.sch.uk

Mrs Taylor: ightenhillclass3@ightenhill.lancs.sch.uk

We are missing you all and we hope you all stay safe.

From
Miss Jackson and Mrs Taylor
