

Ightenhill Primary School

"To be the best that we can be"

Hello Year 1,

We hope you and your family are well and had a lovely half-term break.

Please look for our **class pages on the school website for new activities and challenges and updates from your teacher**. We also display the fantastic work you have been completing on Purple Mash and that you have been sending to us by email on the website.

In the new learning pack, the activities set are skills that the children have already been taught. We have included:

- Reading and writing activities, (we are using the Lancashire literacy teams planning. It is a day-by-day plan linked a book. It includes all the resources and links you need to learn at home).
- Spelling punctuation and grammar (SPAG)
- Maths activities (value of number, counting in multiples of 2,5 and 10, measures and calculations)
- PSHE (well-being activities)
- Science activities (scientific investigations and home experiments)

It has been nice to see many of you using Purple Mash. If you have not been using it yet, please log on as we set new tasks for you to complete each week. Your logins were given to you in the first pack. If you have lost or forgotten them, please email us to let us know and we will send you the login details.

We would love to hear from you! If you have any questions or any photos of the work or activities you wish to share with us or your friends, please feel free to email us. Our emails are:

Miss Jackson: ightenhillclass4@ightenhill.lancs.sch.uk

Mrs Taylor: ightenhillclass3@ightenhill.lancs.sch.uk

We are missing you all and we hope you all stay safe.

From
Miss Jackson and Mrs Taylor
