'To be the best that we can be'

Ambition for all !

At Ightenhill we passionately believe that every child in our school has the potential to achieve highly and succeed in life.

Ambition is one of our seven School Values and our approach to learning is rooted in this value.

We explain to children that learning is not always easy and making mistakes is a key part of our learning journey.

A reminder about class dojo

We use Class Dojo as our primary tool to share updates, celebrate student learning, and communicate during the school day. Please note that while teachers may read messages outside of school hours, we do not expect them to respond outside of the school day.

This approach reflects our commitment to supporting the wellbeing of our staff, so they can maintain a healthy work-life balance and continue to provide the best support for students during school hours.

Thank you for your understanding and continued support.

OPERATION ENCOMPASS

In every force. In every school. For every child.

Operation Encompass

Operation Encompass has been adopted within Lancashire to provide early reporting to schools, such as ours, about all domestic abuse incidents that occur outside school hours which a young person attending Ightenhill Primary has been exposed to, and which might then have an impact on their schooling the following day. This information is shared throughout the year, including school holidays and the weekends.

Safer Internet Day 2026

Safer Internet Day 2026 will take place on the 10th of February 2026, with celebrations and learning based around the theme **'Smart tech, safe choices – Exploring the safe and responsible use of AI'**.

Coordinated in the UK by the UK Safer Internet Centre, the celebration sees thousands of organisations get involved to promote the safe, responsible and positive use of digital technology for children and young people.

New Attendance Rules!

There are new rules for unauthorised absences, whether this is due to holiday, irregular attendance, or otherwise. Don't get caught out!

1

I'm a single parent of one child and we want to go on holiday for 5 days.

Make sure you use the absence request form before you book anything. Your holiday will not be authorised. As your child will miss 5 school days, you'll be given a penalty notice fine. See section 2, too!

For each child a penalty is given...

+£160 +£160 +£160 +£160

1 parent & 1 child = £160

Reduced to £80 if paid in 21 days

1 parent & 4 children = £640

Reduced to £320 if paid in 21 days

For a family of 2 parents & 4 children

+£160 +£160 +£160 +£160
£1280
Reduced to £640 if paid in 21 days

What happens if school suspects children are actually on holiday?

Photos on Facebook?
Foreign mobile dial tone?
Other children talking about your holiday?
Amazing sun tan?
Home visit shows no-one at home?

Please don't be offended if we ask for evidence or mention these questions to you. We're required to do this to ensure a fair system!

2

What about subsequent absences? Is it still the same penalty amount?

No, not anymore. If in any period of not more than 3 years, your child has a 2nd and 3rd leave of absence OR pattern of irregular attendance, which is unauthorised, then...

2nd TIME
e.g. 1 parent and...
1 child = £160
2 children = £320
3 children = £480
4 children = £640

NO DISCOUNT FOR EARLY PAYMENT

3rd TIME

A penalty notice fine **will not** be given. Instead, your case may be taken to court. A magistrate can fine each parent £2,500 for each child.

1 parent & 4 children = £10,000
2 parents and 4 children = £20,000

3

What about irregular attendance? Could I get a penalty notice?

YES

If your child is absent for 10 or more sessions in 10 weeks, and their absences are unauthorised, then the school is required to consider penalty notices / prosecution.

So, half a day here and a day there could all add up to 10 sessions in 10 weeks. If unauthorised, then it would be a penalty notice. Remember, 1 day is 2 sessions (morning and afternoon).

4

What are typical reasons given that won't be authorised?

Examples of unauthorised absences

A family member's birthday
Shopping for uniforms
Inadequate clothing for school
Child being used as a carer
Problems with transport

Sickness of parent or sibling
Sibling's school closed
Refusing to attend, but able to
Poor family organisation
Family holidays
No absence request completed

Where attendance is irregular, or historically poor, sickness absences may be unauthorised unless medical confirmation by a medical professional is given.

Lancashire County Council use the income generated from the fines to take legal action against those who do not pay the fine or repeat offenders, the school never receives any of this money.

NO DOGS ALLOWED ON THE PLAYGROUND

Please can we remind you that parents and carers are not permitted to bring dogs onto the school playground.

Mobile Phones

We do not allow children to have a mobile phone in school, this is an important rule that protects all of our pupils.

We do make an exception – only for our older children (Year 5 and Year 6) who walk to/from school on their own. If your child needs their phone in school for this reason, you must sign a permission slip (available from your child's teacher).

Any mobile phones brought into school will be turned off and given to the teacher. We do not allow children to use their mobile phone whilst on the school premises.

If a pupil is found to be using a phone on the school premises, this is a serious matter and will be dealt with in accordance with the school's Behaviour Policy

SAFEGUARDING AT IGHTENHILL

As the roads around school are so busy at the start and the end of the day, we ask that children do not travel to school on their bikes.

This is to keep our children safe.

Breakfast and after-school club provision

We currently offer a before and after school club provision which is delivered by school staff.

The hours of operation are :

Breakfast club : 7.45am-8.50am After-school club : 3.30pm-5.15pm (4.30pm on Friday)

Places are limited and need to be booked in advance using ParentPay.

It is important that children are collected promptly at the end of the after-school session, late collection may result in a late penalty fee of £10 added to your account and could prevent you from using the facility in the future.

If you have any questions about our before and after-school clubs, please contact the school office.

Online Safety and Social Media

Social media is an online platform that allows users to connect with others online. Depending on what platform you use, social media can allow you to communicate and share information with others with the intention to update or engage a specific audience. This can often include sharing videos, images, status updates or posts with a group of followers that can sometimes cover a global scale.

A lot of the time, social media is a positive place where users support each other. Despite this, it can also house toxic and harmful behaviours, which can be directed towards specific individuals or groups with the intention to harass, or cause upset.

Benefits of Social Media

- 1 Available and accommodating to most audiences
- 2 Can promote positivity and healthy expression
- 3 An accessible platform to connect with others
- 4 An instant platform for news and global awareness

Considerations for Social Media

- 1 Harmful and offensive content may be seen across platforms
- 2 Can be used to promote misleading information
- 3 Can promote unhealthy expectations and pressure for young people
- 4 Can impact digital wellbeing if not managed correctly

Harm on Social Media

Many social media platforms have adapted to include reporting features in order to tackle certain types of online harm. Some of these harms to watch out for include:

- 1 Fake online profiles
- 2 Misinformation or fake ads
- 3 Scamming or fraud attempts
- 4 Radical online content

Socialising Online

Social media provides a lot of freedom in how to connect with other users as well as how information and content is made available. This has provided certain platforms with worldwide appeal, giving anyone an opportunity to connect and engage with others. To promote keeping safe on social media, ensure that young people know how to:

- 1 Report harmful content online
- 2 Block and report users who are being offensive or harmful
- 3 Manage privacy settings to limit exposure to known friends and family members
- 4 Speak to a trusted adult if they are concerned about something online
