Ightenhill News

'To be the best that we can be'

It's all about relationships...

At Ightenhill, positive relationships sit at the heart of everything we do. They shape the way children learn, the way staff support pupils, and the way our whole community grows together.

This week, as I visited classrooms and spoke with pupils about their learning, it was clear that strong, respectful relationships are helping children to thrive. In every class, pupils were working cooperatively, supporting one another, and showing real enthusiasm for learning.

We are also proud of how our school community embraces new members. Over the past few weeks, several new pupils have joined us, and it has been wonderful to see how warmly they have been welcomed. Children have shown kindness, patience and empathy, helping new classmates settle in quickly and feel part of the school.

Our relational approach to behaviour is built on this foundation. We believe that when children feel safe, valued and understood, they are better able to make positive choices and manage challenges.

Staff work closely with pupils to build trust, model respectful communication and repair difficulties when they arise. By focusing on connection over correction, we aim to nurture confident, resilient learners who treat others with care and respect.

In every force. In every school. For every child.

Operation Encompass

Operation Encompass has been adopted within Lancashire to provide early reporting to schools, such as ours, about all domestic abuse incidents that occur outside school hours which a young person attending Ightenhill Primary has been exposed to, and which might then have an impact on their schooling the following day. This information is shared throughout the year, including school holidays and the weekends.

Safeguarding matters

Dropping children off at school

Please do not drop your children off at school and leave them unattended. We have a small number of children who are arriving very early and waiting around on their own.

There is not always a member of staff available at that time to supervise these children and as the mornings are starting to get darker it is not safe for them to be left unattended.

Our school doors open to all children at 8:50am.

100% attendance winners are Md Akib, Yehan, Amelia, Emily, Lucian, Seb, Maizie

We are here to learn !

Being in school every day, on time is the best way to ensure we succeed in school.

This week 8 classes achieved 96%. This is great, but we need more!

STAFF NEWS

This week our staff were refreshing their first aid skills.

A SCHOOL WITH VALUES AT THE HEART OF ALL WE DO

***AMBITION* *CO-OPERATION* *HONESTY* *KINDNESS* *RESILIENCE*
RESPECT *RESPONSIBILITY***

NO DOGS ALLOWED ON THE PLAYGROUND

Please can we remind you that parents and carers are not permitted to bring dogs onto the school playground.

Mobile Phones

We do not allow children to have a mobile phone in school, this is an important rule that protects all of our pupils.

We do make an exception – only for our older children (Year 5 and Year 6) who walk to/from school on their own. If your child needs their phone in school for this reason, you must sign a permission slip (available from your child's teacher).

Any mobile phones brought into school will be turned off and given to the teacher. We do not allow children to use their mobile phone whilst on the school premises.

If a pupil is found to be using a phone on the school premises, this is a serious matter and will be dealt with in accordance with the school's Behaviour Policy

SAFEGUARDING AT IGHTENHILL

As the roads around school are so busy at the start and the end of the day, we ask that children do not travel to school on their bikes.

This is to keep our children safe.

Breakfast and after-school club provision

We currently offer a before and after school club provision which is delivered by school staff.

The hours of operation are :

Breakfast club : 7.45am-8.50am After-school club : 3.30pm-5.15pm (4.30pm on Friday)

Places are limited and need to be booked in advance using ParentPay.

It is important that children are collected promptly at the end of the after-school session, late collection may result in a late penalty fee of £10 added to your account and could prevent you from using the facility in the future.

If you have any questions about our before and after-school clubs, please contact the school office.
